

MOVing Forward IN 2025

Men of Valor's mission continues to advance! Please join us as we reach more and more men. Help us provide men's discipleship as well as leader training programs designed to strengthen men to stand firm for Christ-centered principles.

More than ever, men crave to know their God-given value so they can fulfill God's mission as husbands, fathers, and church and community members and leaders.

MOV staff and volunteers are increasingly asked to provide conferences and resources to equip men to understand their calling as MEN OF VALOR. Through prayer, Scripture, church leader training, and discipleship groups, MOV is helping men understand and apply the gospel of Jesus Christ and biblical principles.

Please join with us as we seek to reach and equip men!

My family was transformed through the teachings of Men of Valor. These lessons helped us learn to love each other and now we go to church together.

MALAWI

Where there is no vision, the people perish.

PROVERBS 29:1

PROBLEMS IN SOCIETY

THERE IS A LOW PROPORTION OF MEN IN CHURCH

Around the world, only 10-25% of congregations are men.

THERE IS DECAYING MORALITY

When men do not hear or obey the Word of God, isolation and sinful escapism fill the void, leading to fractured families, communities, and society.

THERE IS A LACK OF PURPOSE

When Christian men are not disciplined and do not practice godly behavior, they languish and experience hopelessness—and so do those around them.

MOV staff, volunteers, and resources are stretched thin. Please help us meet the growing needs and requests.

The Church Needs Help Equipping Men.

Internationally, there is often little or no direct outreach, teaching, or discipleship specifically for men. We have also learned that there's a great need for Christ-centered men's discipleship and leadership training in the U.S.

Our men need more direction than ever before.

UNITED STATES

I'm encouraged to be a real man of faith, worthy of one who has been chosen by God.
